SPRING SPORTS

Women's Lacrosse [8-10-2]

The ladies just missed out on a bid for District play but still had an outstanding season considering the majority of the team was comprised of underclass players. Leading the way for the team were senior's Kate Poznick [goal], Erika Suomala and Gianna Gitto. Gitto leaves STB as the all-time leader in goals scored and was Honorable Mention for the T&G Super Team.

Men's Lacrosse [8-10]

The boy's season came down to the final game as a tough 11-6 loss to powerhouse Algonquin who eliminated them from a berth in the post season. The team came on strong at the end going 8 wins and 6 losses over the last 14 games to make it interesting. Steve Parsons was recognized for an outstanding season as he was voted an All-American by the coaches association, a Sentinel All-Star, and a T&G honorable mention.

Softball [2-18]

Senior's Kelley Giguere and Alyssa Papia led a very young and experienced squad through the season. Freshman Meagan Drummond showed promise on the mound and earned CMC All-Star recognition along with Kelsey Johnston and Alysha Raimo.

Baseball [12-8]

The team qualified for District play completing a stellar regular season that included a win over Saint John's and Fitchburg High School. During District play STB easily defeated Oakmont in the first round by a score of 9-0 but were not as fortunate in round 2 as old nemesis Worcester Voke squeaked out a 5-3 win ending the Bernardians season. Mike Mericer and Jim Balboni were the one/two punch as they led on the mound and at the plate. Both earned CMC and Fitchburg Sentinel all-star recognition while Balboni also was a T&G Honorable Mention in Division 2.

FALL SPORTS

Football Team

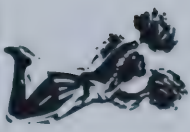

The football team recorded their best season in year's recording a record of seven wins and only 3 losses. The Bernardian's, under Coach Tom Bingham, won their last five games [North Middlesex, Saint Peter Marian, Gardner, Holy Name, Lunenburg] to finish just one game short of playoff contention in Division 1 West. The regular season ended with their win against previously undefeated Lunenburg by a score of 19-14.

Volleyball Team

The volleyball team made their first District appearance EVER, posting a record of 10 and 7 during the season before bowing out in the first round of the Districts to a very strong Trinity Catholic team. Coach Bob Murray announced his retirement at the conclusion of the season. Congratulations to Coach for his many years of commitment and success.

**Congratulations
Shane and Alexis**

And the Class of 2009

**We are extremely proud of the two of you and
Love you both very much!
Mom, Dad
Corey and Athena**

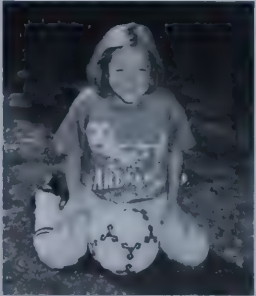

Congratulations Kacie

Daughter of mine...watching you grow up has taught us that time moves in many ways at once; fast and slow, forward and backward, bitter and sweet.

At times it seemed as if we looked away for a moment and years had gone by. Other times nothing much seemed to happen...School, summer, another calendar filled with a blur of events that make up our family's life. One day when we weren't looking – you just grew up, a young woman about to graduate; soon a new life on your own.

You have persevered through many tough transitions and we trust that you will continue to succeed in all your future endeavors. You have made us very proud Kacie. You are a caring, compassionate and fun-loving person, just remember to have confidence in your abilities, believe that anything is possible, and success will follow.

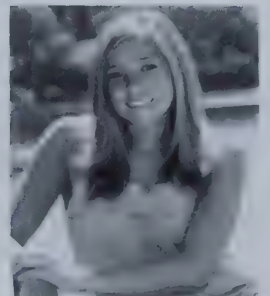

We love you very much,
Mom & Dad

Kacie,

It seems like just yesterday you were rocking out on your microphone, sleeping under my bed, and getting on my nerves. Now you are all grown up and one of my best friends. There's never a dull moment with you; no matter the situation, you always seem to keep me smiling and laughing. You have become such a smart, beautiful, and outgoing person that I admire. Keep your head up and don't ever let anyone or anything hold you back from your dreams. The sky is the limit, so reach for the stars.

I love you and I am so proud of you,
Kaitlyn

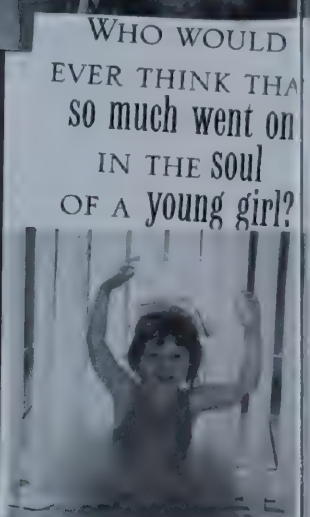

Danielle -
 You couldn't make us any
 prouder. We love you!
 Mom, Dad & Brittany

All the *dreams* I *prayed* you'd be
 Are *all the things* you are

You were once my *little girl*
 And now my *shining star*.

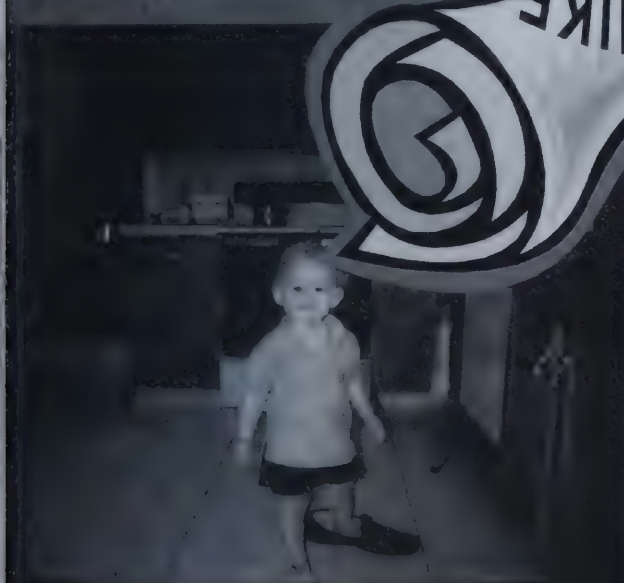

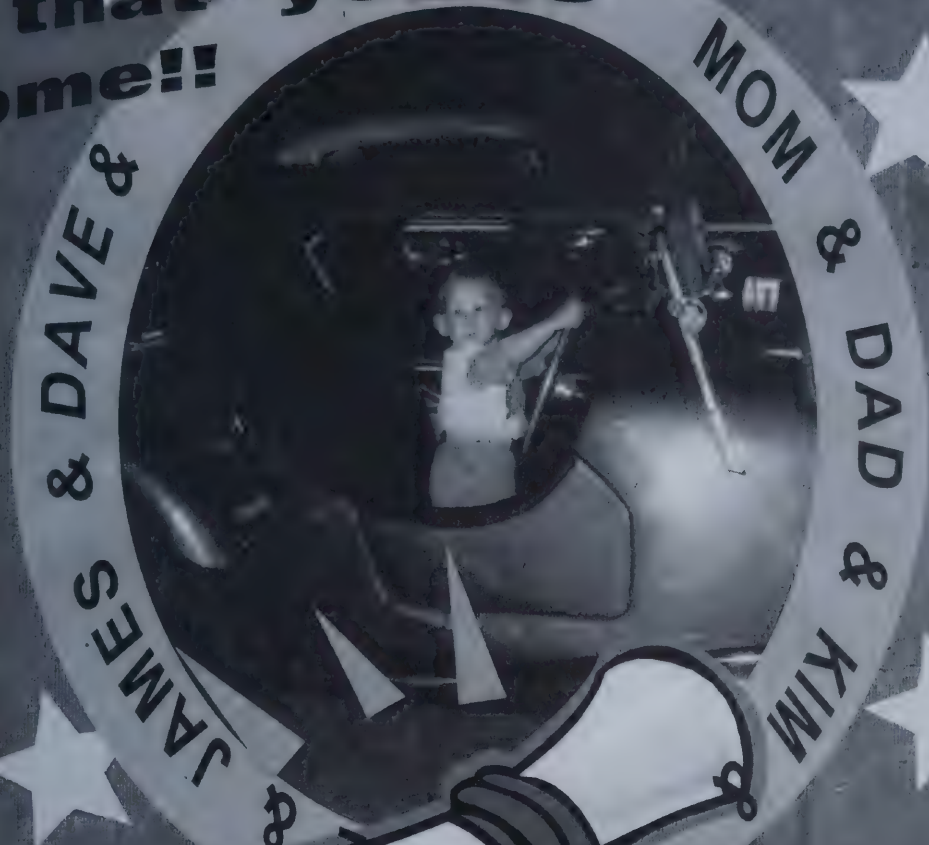

WHO WOULD
 EVER THINK THAT
 so much went on
 IN THE soul
 OF A young girl?

"The Best Things In Life
 Aren't Things"

**Richard, We All Love You !
We're PROUD of You & the
man that you've
become!!**

We wish you Success & Happiness :)

Congratulations Jessica

Graduation day is finally here

Boy does time fly by!

I can still remember dropping you off on your first day of school, and that look you had on your face; as you were so excited and anxious to learn, grow and meet new friends!

12 years have gone by, and now the time has come to go onto College
What a remarkable new step in your life!
You are now ready for new adventures, opportunities and learning's!

Watching our little curly blonde haired girl grow into a beautiful young lady, has certainly been a pleasure for all of us!

You enlighten our hearts with your dancing, and you are still our "Brown eyed girl" who will continue to dance through life with the true grace & charm that has made you the person you are!

We are so proud of you!

Love, Mom, Dad, Nina & Papa-Ray

MELANIE

"Most people are other people. Their thoughts are someone else's opinions, their lives a mimicry, their passions a quotation." ~ Oscar Wilde

You have always been yourself, you have always carried your own ideas...unafraid of what the world around you thought, and you have always been a true original, one whose passions are all your own. You are everything proud parents could want: you are mature, passionate, talented, intelligent, a loving daughter, a great friend,

and a compassionate person who gives everything of herself. We truly believe that you have the ability and desire to get *all* that you want of what the world has to offer. We love you for everything that you are and can not wait to see all that you will become in the near future and for the rest of your life. You are a leader who has always followed her own path. You make us proud, you make us happy, you make us laugh. You bring joy and give all your time and care to those around you. Congratulations on everything you have accomplished so far; we can't wait to see everything that you will become!

"The question isn't 'what are we going to do,' the question is 'what aren't we going to do?'" Ferris Bueller

Love, Mom, Dad, Sophie and your whole famn family! XOXO

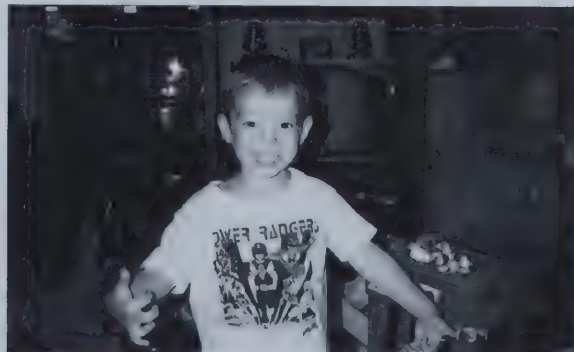

Congratulations Matt

We are so proud of you and all you have achieved!

Love,
Dad, Mom and Casey

Congratulations Shanyse !!

Hard to believe eighteen years have passed...from hearing those little feet running down the hall at night, bedtime stories & snuggles, to the first push on the swing, to the push on your bike. Next thing we were watching you drive your car. Just a few precious moments in our hearts of your journey we have been so fortunate to be a part of. You have grown into a beautiful young woman it seems in a blink of an eye. We are looking forward to the future to see all that you strive for. Remember to always believe in yourself and the possibilities are endless, you can accomplish whatever you set out to do.

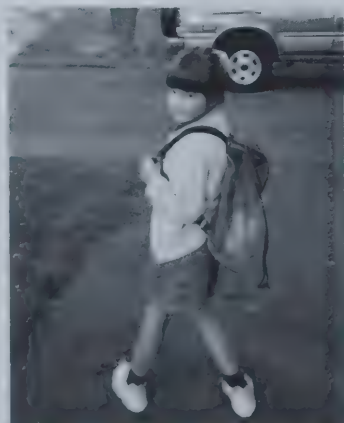

We are very proud of you and will always be there for you.

Love you always,
Mom & Dad

Colleen,

It was only yesterday when you went off to first grade. We are so proud of you, your commitment, your integrity and your drive. Always remember to find that piece of sunshine tucked inside each day.

*We love you!
Mom and Dad*

Bridget,

I am amazed at how fast the past four years of your high school career have flown by!! Or for that matter how fast the past eighteen years have gone. Here you are a senior in high school ready to graduate and take on your next adventure-college!!!! From the moment I held you in my arms as a newborn baby I have been so proud of you. You are the best accomplishment that I ever made in my life!!! You are the light of my life and my shining star. We have been through a lot together as mother and daughter. You were always there for me and you can always count on me being there for you!! As you get ready for college I want you to remember to always reach for the stars and

follow your dreams WHEREVER they may take you!! I love you, and I am so blessed to be able to call myself your mom. XOXO Mom

Bridget,

I am so proud of you and all that you have achieved so far in your life!! Good luck in college!!!! Love you a whole bunch!! Hugs and kisses..... Nana

Christopher,

It seems just like yesterday that you were this fun loving little boy with a mischievous grin. While at St. Bernard's you have learned about perseverance and dedication. You have learned what it means to give selflessly of oneself. We are very proud of what you have accomplished and the fine young man you have become. Yet we know the best of Christopher still lies ahead and your family will be with you every step of the way cheering you on.

With all our love,

The Christopher Ledoux Fan Club

Dear Joey,

As you graduate, it makes me so happy to recognize all that you've achieved, and to realize what a terrific person you've become.

So while you're looking toward a future full of endless possibilities, just remember, I'm behind you all the way!

As Ralph Waldo Emerson once said, "Do not follow where the path may lead. Go, instead, where there is no path and leave a trail."

I am so proud of you and love you from the bottom of my heart.

xx's

Mom (and Tim, of course!)

~ Congratulations Stephanie ~

*How we love you and always will you know,
from babe in arms to womanhood,
we watched our babygirl grow.
It does not seem so many years
that you first blessed our world,
and now you stand before us
ready to conquer the world.
We've helped you through those early years
and taught you all we could,
and now you've done so very well
as we know you always would.
But no matter where you go in life,
no matter what you do,
there will be a place within our hearts
for a daughter such as you.*

We are so proud of you "Shrimpo"!!!

*We love you big, big, big.....Mom and Dad

Carmen, You Did It, With Success!

In the fall of 2005,
 You entered high school to thrive.

You worked very hard to succeed at ST. B.,
 And became the sweetest young lady that you could ever be!

Grade ten brought its challenges as you turned 16,
 And you have the "most beautiful smile" anyone has ever seen.

You've continued to dance all the years since Pre-K,
 As you shined on the stage, while you performed your ballet.

In junior year, you participated in many special events,
 Ring ceremony, Confirmation and Prom all brought you compliments!

You will have fond memories of your friends that will last,
 And you'll also recall all of those Disney trips from your past.

You're in your own *High School Musical* and you're
 in your senior year,
 As we encourage you to progress as graduation is
 near.

Your days of dance lessons are also done,
 May you always remember all of the fun.

We love you,
 I love you-Regina Mommy + Daddy

Love always,
 Grammy
